

Need to submit a Consent Request to DCFS for a youth in care?

Use the Guardian Consent Portal today! guardianconsent.dcfcs.illinois.gov

The DCFS Guardian Consent Portal is an **easy-to-use website** for **submitting consent requests electronically** for youth in care.

Portal features include...

- Ability to **submit from any device** with internet access
- **Instructions, help text, and data validation** to assist with the submission process
- **Automatic creation** of the consent request form and **direct routing** to the consent unit for processing
- **Confirmation number and email** provided upon submission with a copy of the consent request form

Visit guardianconsent.dcfcs.illinois.gov to learn more and submit a consent request online today!
